 See Continuation Sheet

Part III.

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

 (Examiner/SPE Signature)

 (Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner left a voice mail message for Mr. Mulkeen on Wednesday, September 13, 2006@11:45am requesting permission to: (1) cancel the text on page 61, lines 26-27 of the instant specification since a wrong line number was indicated in the after final amendment of September 6, 2006; and (2) put in the correct structure of the formula in claim 18 since the ring nitrogen is missing in the pyrrole ring. On Thursday, September 14, 2006@11:35am, Mr. Mulkeen called the Examiner to give her permission to make the change to the specification and the change to claim 18.
